

Timothy Wood

Objective

My Goal as an **“Environment and Prop Modeler”** would be to constantly improve on my own work, and skills. I want to be the best I can be, and do whatever it takes to get there. I want to bring a new sense of reality to gamers and developers alike. To make something appear so believable, that you can truly believe it exists.

Education

February 2007 – February 2008 **Herzing College** **Montreal, Qu**
3D Animation

September 2006 – March 2007 **Ecole Vocational** **St-Laurent, Qu**
